Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Friday 26 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Becoming very windy late Friday, into Saturday. Snow over hills.

Today:
Early rain or showers clearing then sunny spells and scattered showers, but windy and feeling cold. Later in the evening, rain, sleet and gales moving in from the north, with snow on higher ground. Maximum temperature 7 deg C (45 deg F).

Tonight:
Becoming very windy overnight. Cold with outbreaks of rain, sleet and snow, heavy at times. Snow mostly over hills, but perhaps to some lower levels away from the coast. Minimum temperature 0 deg C (32 deg F).

Saturday:
Very windy and cold with outbreaks of rain, sleet and snow, gradually becoming more confined to the east through the day. Snow mostly over hills. Maximum temperature 6 deg C (43 deg F).

Outlook for Sunday to Tuesday:
Still some coastal showers Sunday, otherwise bright and less windy but cold. Monday, bright and cold. Cloudier, windier and milder Tuesday with some rain.
